### **All Planning Details Now Finalized...**

*Mark your calendars...* Red River Motorcycle Trails, Inc. in Bulcher, Texas will celebrate a momentous milestone in August 2007. Turning 35 years young, the park will hold its anniversary celebration Saturday, September 22, 2007 in order to take advantage of the cooler fall weather for the celebration. (The celebration will take place *rain or shine.*)

#### **Park History**

The park was established in August 1972 when some local guys decided to take up the new sport. They found that the closest place to ride in those days was Flyin 'P' in Weatherford, Texas. Desperately searching for a closer place to ride, they contacted a local farming and ranching landowner. As motorcycling gradually gained recognition as a sport in the 1970s, RRMT, Inc. opened its land to the public for recreation and entertainment. And as they say, the rest is History...

#### **Celebration Details**

RRMT, Inc. management & staff realize that its organization would not be where it is today without the support of the Red River Dirt Riders, the North Texas Trials Association, RRMT, Inc. clientele, and various other loyal off-road supporter groups. As a result, the park would like to take this opportunity to honor all of those that have been a vital part of its success the past 35 years because without each and every one of you...we would be nothing. As one of our mottos tout, "Our customers are Our BUSINESS!" *Therefore, we would like to take this opportunity to show you all how much your support through the years has meant to us.*

The park will be open both Saturday, September 22 and Sunday, September 23; however, anniversary celebration events will just take place on Saturday. Lunch will be served on Saturday from 11 a.m. to 1 p.m. to all of our customers in the large pavilion in the 2<sup>nd</sup> gate camping area. Upon arrival into the park that day, with paid admission everyone will be handed a ticket that they will need to present to redeem their lunch. Those of our customers 18 and over, will have the opportunity to sign the back of their tickets when they redeem them and those tickets will be put in a raffle for park prizes, gift certificates, riding gear, etc. The raffle will occur at approximately 12:30 to 12:45 pm in the large pavilion. *You must be present to win.* Also, during lunch, RRMT, Inc. management would like to take the opportunity to recognize the Red River Dirt Riders, the North Texas Trials Association, & various other off-road supporter groups for all they have done for our park throughout the years.

There is no way to RSVP for the organized trail rides that will be offered that Saturday throughout the park. However, if you do RSVP for the meal and have some potential interest in the organized trail rides, if you could just denote that in the comments field when you submit your form, that would be great. This will provide us with a sense of approximately how many trail guides we will need for that day to accommodate all those interested in participating in this neat opportunity! All trail rides will kick-off immediately following the conclusion of the celebration activities at approximately 1 p.m. Please just meet at the large pavilion at the end of the activities in the large pavilion in the 2nd gate area. Depending on the amount of interest we have from people who would like to go on organized rides, from there everyone will be formed into groups & the rides will depart from the large pavilion. Also, please be aware that we would really hope that we could offer these trail ride opportunities to our customers in honor of this special occasion. However, please be assured that if we do not have enough interest that Saturday, than there is a potential that these rides could be cancelled depending on the interest shown on the actual day of the event. We appreciate your understanding regarding this matter.

We encourage all those to make plans to visit our park to help us celebrate. While lunch is being served, we **want to meet YOU!** Come by, introduce yourself, tell us where you're from, how many years you have been riding at the park, your likes, gripes, etc. about the park. Also meet **OUR STAFF**. We have a lot more people that do things behind the scenes that many of you probably do not even know about. We are excited to meet and greet each of you & tell you all a heartfelt thank you from the bottom of our hearts for making **RED RIVER MOTORCYCLE TRAILS in Bulcher, Texas your place of choice for family recreation in North Texas..... See you in September!**
